Notice of Faculty Position Vacancy

Founded in 1852, Wartburg College is a selective four-year liberal arts college of the Lutheran Church (ELCA), nationally recognized for community engagement. The college offers more than 50 academic majors and pre-professional and certificate programs leading to the bachelor's degree. The Wartburg Community is committed to creating and maintaining a mutually respectful environment that recognizes and celebrates diversity among all students, faculty, and staff. As an affirmative action, equal opportunity institution, Wartburg College actively seeks applications from members of underrepresented groups.

DATE ANNOUNCED: January 23, 2018

DEPARTMENT: Mathematics, Computer Science, and Physics

POSITION: Instructor/Assistant Professor of Computer Science or Mathematics

STARTING DATE: Late August 2018 or January 2019

DEADLINE: Screening of applicants begins immediately and continues until the position is filled.

QUALIFICATIONS: Required: MS in Computer Science (Ph. D. preferred) or Ph.D. in Mathematics, Statistics, or related field; (A.B.D. with prospect of imminent graduation will be considered); qualifications and interest in teaching a selection of introductory and intermediate/advanced classes in Computer Science and Mathematics; successful teaching experience and evidence of potential for teaching excellence; interest in interdisciplinary approaches to learning and general education; willingness to support the mission of the college.

Preferred: Background in data science, AI/machine learning, or statistics, and/or willingness to develop in that direction.

RESPONSIBILITIES: Teach seven undergraduate courses (usually three in Fall Term, Three in Winter Term, and one in May Term); advise departmental majors; consult with students and faculty in areas of expertise; teach in the general education program; perform scholarship and service appropriate to a college with a liberal arts emphasis.

APPLICATION PROCEDURE: Applications will be accepted through email to HR@wartburg.edu. Complete applications will include: letter of application; curriculum vitae; a statement of teaching philosophy; unofficial undergraduate and graduate transcripts; and three current letters of reference.

For specific inquires contact John M. Zelle, chair of the Mathematics, Computer Science, and Physics Department at john.zelle@wartburg.edu.
