

Guide:

Finding and registering your game console's MAC address.

Summary:

This guide shows you how to find and register the MAC address of an Xbox 360, Xbox One, PlayStation 3, PlayStation 4, Wii, and Wii U.

Description:

If you own one of the above devices and would like to be able to connect to the network, you will need to register it with ITS. One of the things you need to submit is the MAC address, which allows ITS to identify your console so we can grant it access. This guide will show you how to find the MAC address of your device.

Xbox 360:

1. Select **My Xbox** on the home screen.
2. Select **System Settings**.
3. Select **Network Settings**.
4. Select **Configure Network**.
5. Select the **Additional Settings** tab.
6. Select **Advanced Settings**.
7. Select **Alternate Mac Address**.
8. On this screen, you will find the **MAC Address**.
9. Submit the MAC Addresses, preferably by email to ITS at techline@wartburg.edu. ITS can also be reached at (319) 352-8767.

Xbox One:

1. Select **Guide** on the home screen
2. Select **Settings**.
3. Select **All Settings**.
4. Select **Network**.
5. Select **Network Settings**.
6. Select **Advanced Settings**.
7. On this screen, you will find the **Wireless MAC Address**, and the **Wired MAC Address**.
8. Submit the MAC Addresses, preferably by email to ITS at techline@wartburg.edu. ITS can also be reached at (319) 352-8767.

PlayStation 3:

1. Go to the settings toolbox on the home screen, and select **System Settings**.
2. Select **System Information**.
3. On this screen, you will find the **MAC Address**.
4. Submit the MAC Addresses, preferably by email to ITS at techline@wartburg.edu. ITS can also be reached at (319) 352-8767.

PlayStation 4

1. Select the **Settings** on the home screen.
2. Select **System**.
3. Select **System Information**.
4. On this screen, you will find the **MAC Addresses**.
5. Submit the MAC Addresses, preferably by email to ITS at techline@wartburg.edu. ITS can also be reached at (319) 352-8767.

Wii

1. Select the **Wii Button** on the bottom left corner of the home screen.
2. Select **Wii Settings**.
3. Scroll to page 2 and select **Internet**.
4. Select **Console Information**.
5. On this screen, you will find the **MAC Address**.
6. Submit the MAC Addresses, preferably by email to ITS at techline@wartburg.edu. ITS can also be reached at (319) 352-8767.

Wii U

1. Select **System Settings** from the Wii U Menu.
2. Select **Internet**.
3. Select **View MAC Address**.
4. On this screen, you will find the **MAC Address**.
5. Submit the MAC Addresses, preferably by email to ITS at techline@wartburg.edu. ITS can also be reached at (319) 352-8767.
