Thank you for all getting in the spirit of homecoming! Cindy Carlson was the executive assistant to the president and lost a long battle with cancer recently. She did a marvelous job organizing the president's schedule and doing so much for Senate and other organizations. I have a card for her family and I invite everyone to sign it. Her visitation is at Kaiser-Corson funeral Home in Waverly on Sunday from 3-7pm and service on Monday at 11am in the Wartburg Chapel. Board of Regents are here and homecoming is a great time to meet people. They usually join Senate but were unable to this year. They may join us in our next meeting. We are going to crush Simpson! Go Knights!

8. Treasurer's Report.....Seth Jobes-Ryan
We are going to go ahead with the lapel pin idea, thank you Senator Jacobs. We are going to keep going forward with the polos and should have them here the latest by next month.

9. Recorder's Report.....Ashlee Henderson
33 senators have sent their emails as of Wednesday night. Know that if you don't get a chance to send your emails out before Monday night, don't worry about addressing that to your constituents. Hall Councils and committees; make sure to send me attendance records and times of your meetings.

10. Academic Ombudsperson's Report.....Benjamin Pollack
I met with Educational Policy committee, they are offering a Field Ecology of Iowa class this 2017 May term. Contact Dr. Ventullo if interested. If you are also interested in dealing with educational policies at Wartburg, contact me, Tyler, or Hannah. We do need another student on the committee. We meet Tuesdays 3-4pm. On this day in 1792 the cornerstone of US Executive Branch was laid.

11. Administrative Ombudsperson's Report.....Emily Laudner
Maintenance request forms are available on the front page of the info center online. You don't even have to log in. The glitches should be fixed from last year. You can choose your building, floor, room, and explain your issue. Make sure to take a picture of any damage. You should get a confirmation email. You can also check on the status of your request. If it is really an emergency, then call the physical plant or security as soon as possible.
