Faculty Position Vacancy

Founded in 1852, Wartburg College is a selective four-year liberal arts college of the Lutheran Church (ELCA), internationally recognized for community engagement. We offer more than 50 academic majors and pre-professional and certificate programs leading to the bachelor’s degree. The Wartburg Community is committed to creating and maintaining a mutually respectful environment that recognizes and celebrates diversity among all students, faculty, and staff.

Located in the Cedar Valley (near Waterloo and Cedar Falls, Iowa), Waverly is within driving distance of major Midwest metropolitan areas including Des Moines, Iowa (2.5 hours); Minneapolis/St. Paul, Minn. (3 hours); Madison, Wis. (3.5 hours); Rochester, Minn. (2 hours); Chicago (5 hours); and Omaha, Neb. (4 hours).

POSITION: Health & Human Performance Instructor/Lab Director, 1 Year Visiting

STARTING DATE: Fall 2023

QUALIFICATIONS:
Successful candidates will provide evidence of the following qualifications:

Required:
- Master’s degree in Exercise Science, Health, Kinesiology, or related field
- CPR/AED certified
- Knowledge and skills necessary to administer fitness testing
- Knowledge of Cardiorespiratory, Treadmill, Body Composition, Muscular Fitness & Flexibility Testing and Data Analysis
- Risk factor screening and experience with exercise programming
- Commitment to inclusive communities

Preferred:
- Successful and innovative college-level teaching
- Student recruiting experience preferred
- Experience supervising field experiences and/or internships and maintaining relationships with community partners
- Experience with advising and/or mentoring undergraduate students

Successful candidates will also have a demonstrated commitment to promoting diversity, inclusion, and cultural competence in an educational and work environment and must be willing to support the College’s mission and contribute to the strategic plan.

RESPONSIBILITIES:
The successful candidate will fulfill the following duties:
1. Teach courses in exercise science and the general education curriculum, including lab sections
2. Manage exercise science laboratories
3. Support the department in coordinating majors/minors in the Health and Human Performance Department, including assistance in the supervision of student field experiences and internships and advising students in the major
4. Contribute to student recruitment activities
5. Collaborate with students on research projects

APPLICATION PROCEDURE:
Send resume/curriculum vitae, unofficial graduate transcripts, contact information for three current references, and a letter of application describing your laboratory management, teaching, and related experience/interests, inclusive excellence and how these will support the distinctive mission and institutional learning outcomes of Wartburg College. In the application letter, please also address any experiences you have working with diverse groups of students. This information should be submitted electronically to: HR@wartburg.edu. For specific inquiries contact Dr. Patricia Dietz Parsons, Health and Human Performance Department Chair, patricia.dietz@wartburg.edu. For further information about the college and the city of Waverly, see http://www.wartburg.edu and specifically about Exercise Science, see https://www.wartburg.edu/exercise-science.

WARTBURG COLLEGE is a selective liberal arts college of the ELCA, nationally recognized for community engagement. As an affirmative action, equal opportunity institution, Wartburg College actively seeks applications from members of underrepresented ethnic and minority groups.
