If you have/feel:

Symptoms* can include:

- FEVER
- COUGH
- SHORTNESS OF BREATH

* Symptoms may appear 2-14 days after exposure.

If you develop emergency warning signs, go to the emergency department at the Waverly Health Center.

- Difficulty breathing or shortness of breath
- Persistent pain or pressure in the chest
- New confusion or inability to arouse
- Bluish lips or face

Call the Waverly Health Center at 319-352-4120 if you develop symptoms, and have been in close contact with a person known to have COVID-19 or if you live in or have recently been in an area with ongoing spread of COVID-19.

To help relieve symptoms use Tylenol/acetaminophen, NOT ibuprofen.

Call the Waverly Health Center with questions or concerns.
