

Preservice Substitute Authorization Program Verification

Applicant Name: _____

Folder number: _____

Date: _____

The above applicant is applying with the Board of Educational Examiners for a Preservice Substitute Authorization. The Authorization allows exemplary teacher preparation candidates who are at least 21 years of age, junior or senior standing, and recommended by their program to substitute for short periods (5 days or less in any given assignment). This cannot take the place of required student teaching or field placements.

The applicants must meet the following requirements:

- The applicant has full admission into a state-approved Iowa teacher preparation program, which must include passing scores on entry assessments.
- The applicant is of junior or senior standing.
- The applicant has exemplary classroom readiness as identified by your teacher preparation program.

By signing below, you are verifying the above applicant has met these requirements and is eligible for the Preservice Substitute Authorization.
