

Faculty Position Vacancy

Founded in 1852, Wartburg College is a selective four-year liberal arts college of the Lutheran Church (ELCA), nationally recognized for community engagement. The college offers more than 50 academic majors and pre-professional and certificate programs leading to the bachelor's degree. The Wartburg Community is committed to creating and maintaining a mutually respectful environment that recognizes and celebrates diversity among all students, faculty, and staff. As an affirmative action, equal opportunity institution, Wartburg College actively seeks applications from members of underrepresented groups.

DATE ANNOUNCED: September 2021

DEPARTMENT: Biochemistry, Chemistry and Engineering

POSITION: Assistant Professor of Chemistry

STARTING DATE: Fall 2022

DEADLINE: Review of applications will begin immediately and continue until position is filled.

QUALIFICATIONS:

Required: Doctorate in chemistry (ABD will be considered). Qualifications and interest for teaching general chemistry, analytical chemistry, instrumental methods, and a willingness to support the distinctive mission of the College. A successful candidate will contribute to the college's undergraduate biochemistry research program.

Preferred: Earned Doctorate by the start date; successful college-level teaching experience. Preference given to candidates with the ability to assist with instrument maintenance, including an LC/MS.

RESPONSIBILITIES:

Teach the equivalent of seven undergraduate courses (three in Fall term, three in Winter term, and one in May term) from among the following: General Chemistry, Analytical Chemistry, Instrumental Methods, and Research Methods. The successful candidate will also have interest and ability to teach non-major **and** general education courses.

SALARY: Competitive for entry-level appointment.

CONTRACT: Nine-month, tenure-track

APPLICATION PROCEDURE: Curriculum vita, unofficial graduate and undergraduate transcripts, contact information for three current references, and a letter of application describing your teaching, scholarship, and service experience/interests and how these will support the distinctive mission and institutional learning outcomes of Wartburg College, should be sent electronically to HR@wartburg.edu. For specific inquiries, contact Daniel Black, Chair, Department of Biochemistry, Chemistry and Engineering (<http://www.wartburg.edu/chem/about.html>) or e-mail daniel.black@wartburg.edu. Wartburg College requires a criminal background check for position finalists.
