

Pell Grant Eligibility

From the Financial Aid Office

11/2/18

Eligibility for aid is based on the number of course credits a student is enrolled in for the term. To receive institutional grants/scholarships from Wartburg, a student needs to be enrolled in at least 3 course credits each term. For example, at least 3 course credits for Fall Term and at least 3 course credits for Winter Term. To receive consideration for a *full* Federal Pell Grant, if all other criteria have been met, a student must be enrolled in at least 3.5 course credits each term. For example, to be eligible for the *full* Pell Grant, the student must be enrolled in at least 3.5 course credits for Fall Term and at least 3.5 course credits Winter and May Terms combined.
