

Where to go for COVID-19 Testing:

I have symptoms of COVID-19:

(symptoms include **cough, fever or chills, shortness of breath**, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, or diarrhea)

Noah Campus Health Clinic \$

Any student, staff or faculty member who has symptoms of COVID-19 are encouraged to call the Noah Clinic to set-up an appointment. COVID-19 testing will be available in the clinic during normal clinic hours. You will be assessed by the provider and a specimen will be collected and sent for testing at the WHC laboratory and TestIowa. Your insurance will be billed for this visit because you are being assessed. Test results will be available in two to three days.

Walk-In Clinic at Waverly Health Center \$\$

If the Noah Campus Health Clinic is closed and you don't feel you can wait to see a provider until the Noah Clinic is open, you can go to the Walk-In Clinic. Please tell the receptionist you are from Wartburg College. Your insurance will be billed for this visit and specimens will be sent to the State Hygienic Laboratory. Test results will be available in two to three days.

Emergency Room \$\$\$\$\$

The emergency room should only be used for emergency medical conditions. If you have any of these emergency warning signs, call 911 or go to the emergency room:

- Trouble breathing
- Persistent pain or pressure in the chest
- New confusion
- Inability to wake or stay awake
- Bluish lips or face

I don't have symptoms, but I've been around someone who tested positive:

Noah Campus Health Clinic

Wartburg College staff will be conducting contact tracing for all students, faculty and staff who test positive for COVID-19. Individuals who have been exposed by close contact with a positive person may be given the opportunity to be tested even if they do not have symptoms. The timing of this testing is determined by the earliest exposure to the COVID-19 positive person. Testing will take place at specific times in the Noah Clinic or another location determined by Wartburg College staff. Test results will be available in two to three days.

Walk-In Clinic at Waverly Health Center \$\$

COVID-19 testing of individuals who do not have symptoms is not widely available. This option may be available in the future through a clinic visit billed to insurance.
