Scholarship Interview

The McElroy Scholarship Competition includes a 15-minute interview conducted by three members of the Wartburg community (a current McElroy Scholar and two faculty/staff members). The interview questions are designed to help us get to know you better. They may relate to your involvement in activities, your past achievements, your goals and aspirations for the future, and your thoughts and ideas on community and public issues. The interview will help us evaluate your potential for leadership at Wartburg. **Interviews will be scheduled on an individual basis.**

Scholarship Essay

Please write an essay on how you would benefit from a Wartburg education. The essay should be no less than 250 words and no more than 500 words. It should demonstrate your ability to write clearly. The topic does not call for a "correct" answer, but rather for your thoughtful response. Essays will be evaluated on content, organization, clarity, and evidence to support your position. Your essay should be postmarked no later than **March 15**.

Return your completed application, list of community and extracurricular activities, essay, and recommendations to:
