

2020-21 Season Memberships

The Wartburg Community Symphony Association needs your support more than ever in this unprecedented time. Our conductor and our musicians are hard at work on a 2020-21 season that will offer virtual chamber ensemble performances in October and December. Plans for live concerts during the second half of the season remain on hold, pending the status of COVID-19 restrictions.

A new Patron level replaces the season ticket option and provides complementary access for one person to all performances this season. Memberships at the Prodigy level and above include complementary access for two persons to all of this season's programming. We will be in touch via email with season updates and links to virtual concerts. Please make sure to include your email address on the membership form.

To recognize the special circumstances of our 68th season, we are providing all members with a free Wartburg Community Symphony face mask featuring our **new logo**. Members at the Patron level will receive one mask. Members at the Prodigy level and above will receive two masks. Please indicate your preference of white or black on the membership form.

MAIL COMPLETED FORM WITH PAYMENT TO:

Wartburg Community Symphony Association
PO Box 3
Waverly, IA 50677

Membership Recognition

The names of all Association members will be posted on our website at www.wartburg.edu/symphony.

 Tear off and return with payment.
