Wartburg is a selective liberal arts college of the Lutheran Church (ELCA), internationally recognized for community engagement. The college’s 1,498 students come from 53 countries and 35 U.S. states. Wartburg is dedicated to challenging and nurturing students for lives of leadership and service as a spirited expression of their faith and learning.

Wartburg offers more than 50 academic majors, including music education, performance, music therapy, and church music. The college’s 18 vocal and instrumental music ensembles are open to music and nonmusic majors. The Wartburg Choir, Wind Ensemble, and Castle Singers along with Kammerstreicher tour annually and travel abroad every third year during the college’s one-month May Term.

All-State musicians who enroll at Wartburg qualify for minimum $2,500 scholarships. Meistersinger Music Scholarships offer up to $5,000 per year to music and nonmusic majors, based on audition.

Wartburg takes its name from the Wartburg Castle in Eisenach, Germany, where Martin Luther spent 10 months disguised as a knight during the stormy days of the Protestant Reformation. Music groups frequently visit the castle during their May Term trips abroad.
