

Poster Submission Procedure

Deadline: **4:00 pm, Tuesday, April 5, 2022**

Undergraduate Research funds will cover the cost of one (1) 24”x 36” poster for each presentation.

1

Prepare your poster and save the file in PDF file format.

2

Name the file with name of first author(s) and poster size:
emmaperez_24x36.pdf OR joe_miller_24x36.pdf

Do not submit a poster with a file just named “poster.”

3

Send your poster to Lori Poehler (lori.poehler@wartburg.edu) by the deadline. Posters submitted after the deadline are not promised to be printed in time for RICE day.

4

Completed posters should be picked up by session chairs and then distributed to students for presentation. This is to avoid student congestion at the Print Center while they focus on printing.
